

**Training events organized during phase II (November 2007 – April 2008)**

The following table provides an overview of the training events implemented during phase II by the 11 TDUs established at SPES Federations and research partners:

Place of event	Date of event	Title of training event	Organized by
AUSTRIA (Vienna)	27/09/2007	Food Law – An Update	TDU FIAA/LVA
AUSTRIA (Vienna)	03/10/2007	HACCP	TDU FIAA/LVA
AUSTRIA (Vienna)	21/11/2007	Cleaning and Disinfection – Food hygiene	TDU FIAA/LVA
AUSTRIA (Vienna)	04/12/2007	Food Production	TDU FIAA/LVA
AUSTRIA (Vienna)	27/02/2008	Food Law – An Update	TDU FIAA/LVA
AUSTRIA (Vienna)	05/03/2008	Microbiology	TDU FIAA/LVA
AUSTRIA (Vienna)	12/03/2008	Organic production	TDU FIAA/LVA
AUSTRIA (Vienna)	02/04/2008	Sensory science	TDU FIAA/LVA
CZECH REPUBLIC (Prague)	18/02/2008	Chemical safety in baker's production, legislation, food chain's standards	TDU FFDI
CZECH REPUBLIC (Prague)	17/03/2008	Chemical safety in milk industry, nutritional recommendations, durability, active and intelligent packaging	TDU FFDI
CZECH REPUBLIC (Prague)	14/04/2008	Chemical safety, food labeling, durability, additives, sanitary code of food packaging (focused on malting, fried products, cereals, coffee grinding)	TDU FFDI

GREECE (Athens)	27/03/2008	Risk assessment	TDU SEVT / AUA / ETAT
GREECE (Athens)	10/04/2008	Risk assessment	TDU SEVT / AUA / ETAT
GREECE (Athens)	11/04/2008	Risk assessment	TDU SEVT / AUA / ETAT
HUNGARY (Budapest)	12/03/2008	Research for Innovation	TDU FHFI / CCH
HUNGARY (Budapest)	29/04/2008	Research in practice	TDU FHFI / CCH
ITALY (Naples)	20/02/2008	Shelf life and innovative packaging	TDU FED / ENEA / ISS
POLAND (Krakow)	26/04/2008	Consumers and traditional food	SGGW/WULS
PORTUGAL (Oporto)	20/04/2008	Predictive Microbiology as a tool to support food safety and food production decisions	TDU FIPA / ESB
SLOVENIA (Škofja)	12/02/2008	Training on how to collect appropriate milk samples and surveys – Presentation of TRUEFOOD research activities	KIS
SLOVENIA (Begunje)	23/02/2008	Training on nutritional factors affecting milk composition – Presentation of TRUEFOOD research activities and WP4 research results	KIS
SLOVENIA (Naklo)	26/02/2008	Training on nutritional factors affecting milk composition – Presentation of TRUEFOOD research activities and WP4 research results	KIS
TURKEY (Antalya)	13/04/2008	TRUEFOOD main results and EU financing opportunities	TDU SETBIR
